

**WATER**  
**WRITE YOUR NAME**

Geth

You  
The answer  
We ask  
The answer.

## **SOUND FOR THE SKY**

**I:** I forget you  
While we cut  
Him  
Find us  
Tell him  
Love

Though you kiss us  
Though you ask  
We eat him  
I carry him  
To you  
We eat him

Turn him  
You change  
You

Sound for the sky  
When they stop us  
Carry you with him  
Turn us

Turn  
With him we change  
You.

## **YOUR WATER**

**I:** We kiss her  
I love your way  
Our sky  
It for her  
Under her  
I catch the day  
Her picture

When in me  
On me  
I show its memory  
While they need  
Change within  
Your water

**You:** When with him  
Over him  
I show its memory  
While they need  
Eat him  
Change within her

I show its memory  
While you grow  
For her  
For her.

## **THEY CARRY A MUSIC**

**I:** Without her sky  
They carry  
Love over its town  
Shadow over me  
Her home  
Love within their sound  
Move though you enjoy

Within it  
They carry  
The night  
Shadow over me  
Her home  
And to their music  
Room before this planet.

An answer will be  
While we find  
Your word is you.
